THE CARNIVAL EDITION – PART ONE

TWENTY SIX TEAMS ONE HUNDRED AND TWENTY BOWLERS (Including spares, we can add up!)
They were at Encounter Bay with Victor Harbor Deputy Mayor - Angela Schiller, on April 7th.
Are you among them ? - Copies of this photo will be available shortly

An early (9am) start and 12 ends meant an early finish, which left plenty of time for fraternising, but apparently not everyone was happy with the shorter day.

**President Don worked hard at the computer
to calculate the results after every round**

DAY TWO, WE MOVE ON TO GOOLWA

Goolwa President David Amber is happy to inform us that today's wines are a gift from the Club

To address the complaints, on the second morning Carnival chief Don Crosby took a straw poll. Twelve ends or back to the previous fifteen?

The vote was heavily in favour of continuing at twelve. It seems as we are all getting older, less bowling and more chat seems to become more appealing. This is after all, a Friendship Carnival!
